

NDIS CHAMPIONS: BRINGING NDIS INFORMATION TO YOU

Would your business, organisation or community group benefit from a free information session on the National Disability Insurance Scheme (NDIS), delivered by a person with disability in your local area?

Do you want to know more about the National Disability Insurance Scheme (NDIS)? Do you want to understand what it will mean for people with disability?

The Australian Federation of Disability Organisations (AFDO) has recently employed and trained 30 people with disabilities from all over Australia to become NDIS Champions - to deliver reliable, fact-checked information about the NDIS in their local communities.

NDIS Champions presentations have answers to the most frequently asked questions, including:

- What is the NDIS?
- Who can access it?
- Why do we need it?
- How does it work?
- What do I need to do?
- NDIS Plans
- And more

If your business, organisation, or community group would benefit from a free information session on the NDIS, book one of our NDIS Champions in today. Presentations are free until November 25.
